● RESEARCH AND DEVELOPMENT PROJECTS

12/2019 – 12/2020

Postdoctoral Research Fellow within the project ATRiUM “Entrepreneurship Education and Career Counselling for Doctoral Students and Postdoctoral Researchers to Facilitate Knowledge Transfer from the Social Sciences and Humanities to the Labour Market”, POCU/380/6/13/123343

- completing theoretical and practical training in entrepreneurship and research knowledge transfer;
- developing a business and sustainability plan for translating psychological research into family psychotherapy and parenting counselling services;
- undertaking a practical placement with a partner organisation.

12/2019 – 03/2020

Researcher and financial administrator within the European project R4JUST “Radicalisation Prevention Competence Development Programme for Justice Professionals”, JUST-AG-2018/JUST-JTRA-EJTR-AG-2018

- conducting a systematic literature review on radicalisation and deradicalisation;
- providing financial administration support, monitoring project finances, and preparing financial reports.

05/2019 – 12/2019

Career Counselling Expert within the project “Stay at WUT: Supporting Students’ Progress and Degree Completion through Educational and Career Counselling Services”, FDI-0153

- providing career counselling and guidance to university students to support their academic progression, career planning, and degree completion.

05/2018 – 12/2018

Counsellor within the project “Find Your Way to WUT: Improving Access to Higher Education for Students from Disadvantaged Backgrounds through Career Counselling and Guidance” (GoToUVT), FDI-0186

- providing career counselling and guidance to secondary school students participating in the project.

10/2018 – 11/2018

Counsellor within the ROSE project “Invest in Your Education! Preventing University Dropout through Integrated Support Services” (INEDU), 46/SGU/NC/1/23.11.2017

- coordinating induction activities for first-year psychology students.

04/2018 – 09/2018

Counsellor within the European project “Educational and Networking Tools on development of Authentic Performance for professional integration” – PAN (eMS RORS-215)

- providing career counselling and guidance to students participating in the project.

05/2017 – 09/2018

Researcher and financial administrator within the European project RASMORAD P.P. “Raising Awareness and Staff Mobility on Violent Radicalisation in Prison and Probation Services”, funded under the JUST-2015-JCOO-AG programme of the EU

- designing studies, analysing data collected from project partners in penitentiaries and probation centres, and developing, together with the group of researchers in the project, a common methodology and a common tool for assessing the risk of violent radicalisation among detainees, for use by national prison authorities in the project’s partner countries;
- writing research reports and deliverables within the project;
- participating in the transnational meetings, thematic workshops, and webinars within the project and making study visits to prisons and probation centres;
- providing financial administration support, monitoring project finances, and preparing financial reports.

03/2016 – 08/2018

Researcher within the Erasmus Plus project R2PRIS “Radicalisation Prevention in Prisons”, 2015-1-PT01-KA204-013062

- conducting a systematic review of the scientific literature on radicalisation and elaborating a theoretical and methodological framework for studying this phenomenon in penitentiaries;
- contributing to the development of a screening tool to identify signs of radicalisation in prisoners and of training modules for prison staff;
- providing financial administration support, monitoring project finances, and preparing financial reports.

01/2016 – 09/2017

Research assistant within the project iTAD “A new transdiagnostic intervention programme to reduce anxiety and affective disorders delivered online”, PN-II-PT-PCCA-2013 - 331/2014

- carrying out research and administrative activities to support project implementation.

11/2015 – 09/2017

Doctoral Researcher within the project “Exploring the Automatic Underpinnings of Driving Behavior”, PN-II-RU-TE-2014-4-2968

Contributing to:

- literature reviews and several stages of a meta-analysis;
- empirical data collection and analysis;
- the preparation of research reports and manuscripts for publication.

02/2016 – 08/2017

Researcher and Financial Administrator within the Erasmus+ project ECOPRIS “Ecological Economics in Prison Work Administration”, 2014-1-PT01-KA204-001070

- conducting research activities to achieve project objectives;
- managing and monitoring project finances;
- preparing research and financial reports.

01/2015 – 08/2017

Researcher and Financial Administrator in the Erasmus+ project IDECOM “Innovation, Development and Communication for a Better Education in the Prison System”, 2014-1-RO01-KA204-002936

- conducting research activities to achieve project objectives;
- managing and monitoring project finances;
- preparing research and financial reports.

10/2014 – 07/2015

Financial administrator within the project “Career Counseling and Professional Internship Services in Psychology” POSDRU/136958

03/2011 – 12/2013

Research assistant within the FP7 European project LOCAW “Low Carbon at Work: Modelling agents and organisations to achieve transition to a low carbon Europe”, FP7 ENV.2010.4.2.3-1

- conducting reviews of the scientific literature on various topics of interest for the project;
- supporting the coordination of workshops for developing backcasting scenarios and focus groups with managers;
- conducting comprehensive interviews with people from different managerial levels;
- analysing qualitative data with ATLAS.ti software and analysing quantitative data;
- participating in the writing of research reports and dissemination materials;
- presenting project findings at conferences and scientific events.

● OTHER ACADEMIC SERVICE AND RESPONSIBILITIES

2019 – CURRENT

Bachelor's Thesis Supervision

- supervising approximately 15–20 undergraduate students per academic year through weekly supervision meetings and a structured schedule of research milestones;
- guiding students in topic selection, literature review, hypothesis development, research design, instrument selection, data collection, and statistical analysis;
- providing feedback on written drafts, supporting the interpretation and discussion of findings, and guiding students in academic writing and preparation for the thesis defence.

10/2022 – 05/2025

Erasmus+ Departmental Coordinator for Psychology

- serving on selection committees for Erasmus+ student and academic staff mobility;
- supporting students and academic staff in planning and undertaking mobility;
- facilitating academic recognition of study periods and traineeships through ECTS;
- liaising with the Institutional Coordinator and Erasmus+ Office to support programme implementation at departmental level.
